

CITY OF SAN JOSE
2009-2013 Adopted Capital Improvement Program
Art in Public Places

In developing the 2009-2013 Adopted Capital Improvement Program, staff reviewed each capital program for public art funding based on recent revisions to the Public Art Master Plan approved by the City Council on March 13, 2007 and in accordance with Chapter 22.08 (Art in Public Places) of the San José Municipal Code. Attached is a breakdown of the public art allocations in the 2009-2013 Adopted Capital Improvement Program (Attachment A). One percent of all construction project funding is required to be allocated to public art, excluding funding for seismic and ADA retrofits, maintenance and operations, non-construction projects (such as studies), or affordable housing. Projects that previously contributed to public art prior to the revisions of the Public Art Master Plan continue to be reflected in the 2009-2013 Adopted Capital Improvement Program (CIP) as previously allocated through prior CIPs.

As shown in Attachment A, a total of \$15.2 million is programmed for public art projects in the 2009-2013 Adopted CIP. This figure does not include the \$3.0 million in public art expenditures estimated for 2007-2008. Previously, the public art allocations were spread only among the Airport, Civic Center, Public Safety, Library, Municipal Improvements, and Parks and Community Facilities Development Capital Programs. As part of the changes to the Master Plan, the Traffic, Parking, Sanitary Sewer, Storm Sewer, Communications, Water Utility System, and Water Pollution Control Capital Programs now also contribute to public art.

The project list that follows includes a more detailed sampling of some of the public art projects funded through this allocation. As the project scope and schedule of specific public art projects are under development, and determined as funding allows, not all public art projects are reflected in this document. Further detail and discussion of all specific public art projects can be found in the Status Report on the City-Wide Capital Improvement Program and Strong Neighborhoods Initiative Projects submitted to the City Council semi-annually.

In accordance with the San José Municipal Code, the attached worksheets will also be submitted to the Arts Commission for review.
